Vaccinations given to mare/foal in last 12 months: _____

Is mare insured? _____ Company: _____ Policy#: _____ Phone: _____

Please list any special instructions/medical history that may be helpful to us while mare is in our care: _____

Ohio State ATI, agent for the above named stallion will herein be referred to as Breeder. This service is valid subject to the following:

1. A booking fee of \$ _____ is payable to Ohio State ATI with this contract, and the balance of the breeding fee of \$ _____ will be payable to Ohio State ATI upon delivery of a live foal that stands and nurses on its own. Once a mare has been examined by Breeder, the booking fee is considered earned and is not refundable. The Breeder requires 48 hours advance notice when the Mare Owner wishes to remove his mare(s) from the farm. The mare (and foal if applicable) shall be released only upon payment in full of all outstanding invoices, including those from the attending veterinarian.
2. A photostatic copy of registration papers (both sides) shall be sent to Breeder with this contract and booking fee. A veterinarian's health certificate, deworming and immunization records and a **current Coggins** test (within 6 months) shall accompany the mare. If these are not presented upon mare's arrival, the Breeder shall have the attending veterinarian make proper tests and evaluations at the Mare Owner's expense. Mare (and foal, if applicable) will be vaccinated and dewormed as deemed necessary by the attending veterinarian at Mare Owner's expense.
3. Mare Owner agrees each mare offered for breeding shall be in sound breeding condition and free from any infection or disease. Any mare certified by the attending veterinarian not to be in sound breeding condition shall not be bred. Mare Owner may substitute another mare within the same breeding season. A negative uterine culture is required on all barren mares and any mare that is open after the second heat cycle.
4. The Breeder agrees to diligently try to settle the above named mare and shall have sole discretion of determining the best method of breeding such mare. If, however, the mare does not settle, the Breeder shall be held harmless. There will be no guarantee of a live foal for any mare leaving Breeder before being checked safe in foal by the attending veterinarian.
5. Live Foal Guarantee: Live foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal, or if foal is stillborn, a return season will be guaranteed for the following year only, providing proper notification is given. Proper notification shall be defined as follows: Written certification by a licensed veterinarian within seven days that the mare has slipped or produced a non-viable foal. Mare Owner certifies that such abortion or death did not result from any act or omission of the Owner subsequent to the mare's departure from Breeder. Booster rhinopneumonitis vaccinations must be administered at 5, 7 and 9 months of pregnancy.
Failure to do this will void the Live Foal Guarantee.
6. Third year rebreeds are subject to an additional booking fee plus any increases in the breeding fee. No live foal guarantee on third year rebreeds.
7. The breeding season in force for this contract shall begin February 15 and close July 1 of the year dated on this contract.
8. A breeder's certificate will be issued to Mare Owner after all expenses have been paid in full and upon notification of birth of the foal.
9. Waiver of Liability: It is understood that the breeding farm, its owners, employees, and guests shall not be liable for any injury, escape, disability, or death of any horse on its premises. The above named Mare Owner, whose horse(s) is (are) under the care of Breeder, will not be liable or responsible for any damage, injury or death to the breeding farm stallions, employees, veterinarians, or other animals in the care of Breeder, whether or not caused by his horse.
10. This contract is governed by the laws of the State of Ohio. All accounts are due and payable in Wayne County, Ohio in U.S. Dollars.
11. **This contract is not valid unless completed in full. When Mare Owner signs and returns contract and booking fee to Breeder, Breeder will notify Mare Owner within 10 days of approval. Upon notification, it will become a binding contract on both parties, subject to the above terms and conditions.**
